

Old Saybrook Parks and Recreation

Summer Camp 2021

Week 1: 6/21/21 - 6/25/21 **Let's Play a Sport** What is your favorite sport? Throughout the week we will participate in different games and sports.

Week 2: 6/28/21 – 7/2/21 **Explore, Discover and Learn** What can we discover and learn when we explore the world around us? We will find out through stories, games, activities and art.

Week 3: 7/5/21 – 7/9/21 **A Visit to the Rainforest** It will be a week of exploring different animals that live in the rainforest through stories, games, activities and art.

Week 4: 7/12/21 – 7/16/21 **Science All Around Us** It will be a week of exploring how different forms of science are all around us. We will perform experiments and make scientific predictions.

Week 5 : 7/19/21 – 7/23/21 **Going on an Adventure** What is an adventure? We will find out this week as we become involved in stories, games, activities and art that take us to different places.

Week 6 : 7/26/21 – 7/30/21 **Let's Use Our Imagination** What can we do if we use our imagination? Through stories, games, activities and art there is no boundary to where our imagination can take us.

Week 7: 8/2/21 – 8/6/21 **Life in the Ocean** We live by the ocean, but do we really know what is in this gigantic mass of water? We will learn about what makes up the ocean through stories, games, activities and art.

Week 8: 8/9/21 – 8/13/21 **Here Come the Dinosaurs** What was it like when dinosaurs roamed the earth? We will learn about the characteristics of the different dinosaurs as we explore through stories, games, activities and art.

Week 9: 8/16/21 – 8/20/21 **Color Wars** What is your favorite color? All week we will be involved in a competition to see which color team can dominate in games and activities to win the trophy for 2021.
