## Winter Basketball

### League 2022

OSPR Winter basketball league is right around the corner and starts the week of January 15th. Each team will have one practice per week to work on fundamentals and skill development and one game played on Saturdays (number of teams depending). This league is 7 weeks for just \$30.00!!

This is a good opportunity to see if basketball is your sport and it is a better way to get more practice, game play and skill development if you are already playing on a team. Not to mention it's a great way to spend the winter months out of the house.

Registration closes on 12/27!!
