

Madden Rules & Settings

“Regular Season”

- ⇒ You may use any of the 32 NFL teams from the Madden 2020 roster. No other teams are allowed
- ⇒ Players can select the same teams.
In the event a game ends with the score tied, the game will go into overtime. If the game is still tied after an overtime period, then the game ends in a tie. (Winner must be determined in playoffs)
- ⇒ In the event of a power loss or system freeze, the game will be re-started with “situational setup” to exactly match the score, settings, quarter, time, and possession and play will resume.
- ⇒ **IMPORTANT:** We will be following a Scoring Rubric! It’s important to make sure to take a picture of results and send to Kyle.Bohonowicz@oldsaybrookct.gov

Game Settings:

- Quarter Length: 5 Minutes
- Play Clock: 30 Seconds
- Skill level: All Pro
- Accelerated Clock: Off
- Game Speed: Normal
- Game Style: Competitive
- All other settings will be default

Game Play Rules:

- Onside Kicks: Are not allowed in the first half. A competitor may attempt an onside kick at any time in the second half.
- Excessive Offsides: Neither the offense nor the defense should purposefully go offsides with the intent of delaying the game nor exhibiting unsportsmanlike conduct. Intent is at the sole discretion of the league supervisor.
