GEOCACHING.COM

If you are interested in finding these Eagle Scout projects around town; click on the links below to find their GEOCACHING locations. Then using a compass and map or GPS device, you can travel around town to find these wonderful projects completed by local Eagle Scouts. The linking of these former Eagle Projects in the Old Saybrook community is also an Eagle Project itself by Robert O'Shaughnessy. The project is intended to provide easy access to Points of Interest in the area to both residents and visitors alike
