

# Nature Talks

*Patricia Laudano, Master Wildlife Conservationist for CTDEEP*

## **Moose...CT's Giants - Tuesday, January 13<sup>th</sup>**

Moose are a powerful and iconic symbol of the Northern Wilderness...so what are they doing in Connecticut...  
join us to find out more.

## **Fishers - Tuesday, February 10<sup>th</sup>**

They are not fish eaters, nor are they a member of the cat family...so what are they? Discover more about one of CT's smaller predators that is here to stay.

## **The American Beaver - Tuesday, March 10<sup>th</sup>**

This native mammal is an important part of our ecosystems; however, it is considered a nuisance by many.  
Join us to learn about the facts.

**Time:** 4:00 - 5:00pm

**Location:** Vicki Duffy Pavilion

**Fee:** \$5.00
